I, _____ acknowledge that Maria Kish Valenti has been certified to provide Biomagnetism therapy by Escuela Superior de Biomanetismo Medico Isaac Goiz Duran and personally by Dr. Isaac Goiz Duran.

Maria Kish Valenti is not a MEDICAL DOCTOR, she is not making any medical diagnosis or providing medical advice or care. I should see a Medical Doctor for follow-up care if needed, and I should view biomagnetism therapy care as additional therapy to the medical care provided by a medical doctor.

Biomagnetism therapy is not a substitute for seeing your primary Medical Doctor for his/her evaluation, or treatment, or consult.

Biomagnetism Therapy consists on applying medium intensity magnets between 1000-15000 Gauss in certain areas of the body in order to help balance the pH levels, of Alkalinity and Acidity in the body. Most people need 2-5 session, even though sometimes 1-2 is all that is needed.

Those with challenges may need over 5.

I have not received Chemotherapy and / or Radiation Therapy within 14 years from today and I am not planning on getting chemo therapy and /or radiation therapy for a year from this date since it will be not advisable to have Biomagnetism therapy in this situation.

Please note that after session you may experience a HEALING CRISIS. This is when the pathogens die off and one could feel flu like symptoms for a few days. Body is healing and going through an intense cleaning and rebuilding. This is not a sickness, this is showing the body becoming healthier and stronger.
